

24/7 Nurse call line

The support you need
whenever you need it.

You can contact a nurse by phone anytime - **24 hours a day, seven days a week** with general health questions. Nurses can provide support on the phone or through follow-up educational mailings.

Key features:

- Availability 24/7
- Decision making support and education anytime you need it
- Assistance with finding providers
- Nutrition information
- Information regarding medications and health conditions
- Referrals, as appropriate, into the larger Care Management program for enhanced support by a dedicated care manager

The 24/7 nurse line is a service provided to our members to support their relationship with their healthcare providers. The information provided is intended to help educate members, not to replace the advice of a medical professional. If you are experiencing severe symptoms such as sharp pains, fever, loss of bodily function control, vomiting or any other immediate medical concern, dial 911 or contact a physician directly.
