

Univera Healthcare's Healthy Baby Connection Program

Supporting you and baby through your pregnancy journey

While welcoming a new baby is exciting, it's completely natural to have questions or feel unsure during pregnancy. Univera Healthcare's Healthy Baby Connection Program is here to support you, offering personalized, one-on-one guidance to help you feel confident, informed, and cared for throughout your journey.

Meet your Maternity Care Manager

With the Univera Healthcare's Healthy Baby Connection Program, you're paired with a Care Manager who will be your single point of contact from start to finish.

Experienced in maternity, labor and delivery, and postpartum care

Remains in regular contact with you via phone and through the online Wellframe app

Helps with everything from screenings and referrals to nutrition and everyday questions

Coordinates closely with your primary care doctor and obstetrician

You also receive educational materials highlighting baby's progress and what you can expect each trimester, as well as postpartum screenings, education, and support. All at no cost to you.

Call 1-877-222-1240 to sign up for Univera Healthcare's Healthy Baby Connection or learn more.
