

## **IDEAS & RESOURCES: Vaccines Are Important for Adults Too.**

### **Here are some ways you can support your employees:**

- Promote the importance of vaccines, preventive care, and seeing their PCP to your employees using the included flyers
- Hold an onsite flu and/or COVID vaccine clinic
- Consider giving employees paid time off for getting recommended vaccines

### **Here are some additional resources:**

- Centers for Disease Control & Prevention (CDC), [Vaccines & Immunizations](#), [Vaccines During Pregnancy](#)
- U.S. Department of Health & Human Services (HHS), [Immunization](#)
