

The Univera Healthcare network means high-quality, easy-to-find coverage.

All Univera Healthcare plans give you access to the largest network in Upstate New York

- The Univera Healthcare PPO network covers **39 Upstate New York counties**
- More than 98% of all providers within these counties participate with us
- Includes all major hospitals and strategic physician groups
- Offers competitively negotiated rates for increased savings and value
- More direct contract relationships with providers in select neighboring Pennsylvania counties for additional access for Southern Tier members*

Plus, peace of mind with nationwide coverage

When members need care outside of our 39-county local network, Univera Healthcare offers access to more than 1.2 million practitioners and 5,600 hospitals through our partner, PHCS/MultiPlan. The PHCS and/or MultiPlan logos on your Univera Healthcare member card mean that you'll get the same in-network benefit when you receive care from a PHCS/MultiPlan participating provider throughout the United States.
