\*A well visit or preventive service can sometimes turn into a "sick visit," in which out-of-pocket expenses for deductible, copay and/or coinsurance may apply. There may also be other services performed in conjunction with the above preventive care services that might be subject to deductible, copay and/or coinsurance. Covered services do not include procedures, injections, diagnostic services, laboratory and X-ray services, or any other services not billed as preventive services.
